

# WS Packaging Group: your single-source solution.

Rely on one source for all your thermal transfer and direct thermal label needs. Our comprehensive selection includes a large inventory of the most commonly needed items, and we can also provide unique products to meet specific needs. With responsive service and dependability, we provide:

- thermal transfer ribbons
- thermal transfer and direct thermal labels
- linerless direct thermal labels

You can rely on our products to be compatible with brand names you trust—including Sony®, Armor, DNP, ITW, IIMAK®, and others. All ribbons and labels featured are designed and tested for compatibility. We stock common sizes of blank thermal transfer labels for fast shipment.

***We design, build, install, and service a complete line of automatic printer applicators. Software integration, full technical support, training, and features like hot-swap heads make it easy to streamline production and increase your profitability.***
